But at school, she is not very popular. Though she has a fun and bubbly personality, her flowers smell like a cow field.

This kept many people at a distance. She was never asked to join in a game, or attend a baseball game. The kids in class never sat near her.

But the worst part about it was that Cowslip had no idea why no one wanted to be around her. And today, she was sick of the rude treatment and was going to find out why.
